1.5 Step Advancement

Must select at least *one* category below and provide supporting comments. 1.5-step advancement requires a strong record with outstanding achievement in at least one area of review across teaching, research or creative work, and service. However, outstanding achievement in one area may not qualify the candidate for 1.5-step advancement if performance in another area does not meet UC Davis standards.

- Teaching
- Research (scholarly and creative activity)
- University and Public Service
- Professional Competence and Activities
