†Already factored into the base. This is the half-step amount to be entered in payroll as an off-scale component. This component is retained as long as the appointee remains at this step.

[^]Supplement awarded only if advancement to this step was as a result of an advancement of 1.5 steps or greater AND is awarded only for the period of normative time at this step. Note: The supplement will end after normative time, if the faculty member's next advancement is not greater than a 1 step increase or if the faculty member does not advance. [^]Supplement Calculation: (1) take proposed salary and subtract the current salary (2) take the resulting amount and multiply by 25% to achieve the Annual Supplement (3) divide the Annual Supplement amount by 12 to achieve the Monthly Supplement.
