Checklist for Merits and Promotions

For the following Academic Federation series:

- **Academic Administrator**
- **Academic Coordinator**

**Department Responsibility in Assembling Dossier** – The Department will submit the following documentation to the dean’s office in MyInfoVault (MIV).

- **Recommended Action Form**
  
  **Note**: A normal salary increase for Academic Administrators is two increments on the salary scale.

- **Departmental letter of recommendation**:
  
  a. Results of vote; In addition, all departmental letters must report that the consultation and evaluation process was performed consistently with the Peer and Voting Group procedure, and the date the procedure was approved by the Vice Provost—Academic Affairs. Reasons for negative votes should be addressed in the department letter. Strongly recommend that all written comments be appended to the department letter.
  
  b. Analysis of the quality of the administration, coordination, or management of programs
  
  c. Analysis of professional achievement
  
  d. Evaluation of university and public service
  
  e. Teaching and/or research (optional for Academic Administrator series only)

- **Signed Candidate’s Disclosure Certificate**

- **Extramural and Clientele letters**: For Promotions in the Academic Administrator series only: 5-8 letters are normally adequate and do not need to be “Arm’s-length”. Academic Coordinators do not promote; a new appointment is required. Include the following:
  
  a. List of all referees, including academic/professional title and expertise of each referee. Upload into MIV as a Non-Redacted letter.
     
     i. This list must identify those nominated by candidate and those nominated by department. If the same name appears on both lists, they will be included on the department list.
     
     ii. Indicate which referees are arms-length.

     “Arms-length” letters are from external referees who are independent of the appointee, who are known scholars in the field, and who are able to provide an objective evaluation of the work. Use of external referees whom the reviewers may not regard as objective or independent, either because they are too close to the appointee professionally (collaborators, thesis supervisors, personal friends, teachers, etc.) or because they have a personal relationship with the appointee, may be included if they shed light on collaborations. An effort should be made to contact individuals who have not contributed letters for prior reviews for the same candidate. It is also desirable to have some referees who are familiar with the UC rank and step system since referees from within the University (outside UC Davis) can speak to the issue of the appropriateness of the step. 

     **NOTE**: Review UCD 220 IV.F.3.d. for further information.

  b. Example of the solicitation letter. Do not include the name and address of a referee in the example. Upload into MIV as a Non-Redacted letter.

  c. The following information should be marked on each of the extramural letters.
     
     i. Stamp all letters “CONFIDENTIAL”
     
     ii. Each letter must be identified separately by a letter or number that corresponds to the letter or number used in a. above, to ensure confidentiality of reviewers (APM 160).
     
     iii. Each letter should be identified as being from either the “candidate list” or the “department list.”
     
     iv. Indicate whether the letter is “arms-length” or “not arms-length”, according to the opinion of the department chair.

     (See APM – 210; APM—220-80-c. and UCD 220 Exhibit B.)

     **NOTE**: Upload the redacted and non-redacted versions of the extramural letters in MyInfoVault (MIV).

     **NOTE**: Extramural letters are not required for Lecturers with Security of Employment and Senior Lecturers with Security of Employment being reviewed for advancement to the first Above Scale.
