For the following Academic Federation series

Specialist

**Department Responsibility in Assembling Dossier** - The department will submit the following documentation in MyInfoVault (MIV) to the dean’s office.

___ Recommended Action Form

___ Departmental letter of recommendation:

  a. Results of vote; all departmental letters must report that the consultation and evaluation process was performed consistently with the Peer and Voting Group procedure, and the date the procedure was approved by the Vice Provost—Academic Affairs. Reasons for negative votes should be addressed in the department letter. Strongly recommend that all written comments be appended to the department letter.
  b. Analysis of the quality of his/her contribution to research or creative work
  c. Professional competence
  d. University service (optional)

___ Signed Candidate's Disclosure Certificate

___ Extramural letters - Required for promotions, merit to Full level Step VI and merit to first Above-Scale only

  **Note:** For promotion to associate rank, a minimum of 3 letters are required and do not need to be “arm’s-length”.

  For promotion to full rank, a minimum of 3 letters, including 2 “arm’s-length” letters.
  For merits to Full, Step VI, a minimum of 4 letters, including 2 “arm’s-length” letters.
  For merits to first Above Scale 5-8 letters are normally adequate, including at least 3 “arm’s-length” letters.

Include the following:

  a. List of all referees, including academic/professional title and expertise of each referee. Upload into MIV as a Non-Redacted letter.
     i. This list must identify those nominated by candidate and those nominated by department. If the same name appears on both lists, they will be included on the department list.
     ii. Indicate which referees are arm’s-length.

     “Arm's-length” letters are from external referees who are independent of the appointee, who are known scholars in the field, and who are able to provide an objective evaluation of the work. Use of external referees whom the reviewers may not regard as objective or independent, either because they are too close to the appointee professionally (collaborators, thesis supervisors, personal friends, teachers, etc.) or because they have a personal relationship with the appointee, may be included if they shed light on collaborations. An effort should be made to contact individuals who have not contributed letters for prior reviews for the same candidate. It is also desirable to have some referees who are familiar with the UC rank and step system since referees from within the University (outside UC Davis) can speak to the issue of the appropriateness of the step.

     **NOTE:** Review UCD 220 IV.F.3. for further information on determining “arm’s-length”.

  b. Example of the solicitation letter. Do not include the name and address of a referee in the example. Upload into MIV as a Non-Redacted letter.

  c. The following information should be marked on each of the extramural letters.
     i. Stamp all letters “CONFIDENTIAL”
     ii. Each letter must be identified separately by a letter or number that corresponds to the letter or number used in a. above, to ensure confidentiality of reviewers (APM 160).
iii. Each letter should be identified as being from either the “candidate list” or the “department list.”

iv. Indicate whether the letter is “arm’s-length” or “not arm’s-length”, according to the opinion of the department chair.

(See APM – 210; APM—220-80-c. and UCD 220 Exhibit B.)

**NOTE**: Upload the redacted and non-redacted versions of the extramural letters in MyInfoVault (MIV).

Dean’s office Responsibility in Assembling Dossier – The dean’s office will submit the dossier to the Office of the Vice Provost in MIV. In addition, the dean’s office will provide:

Dean’s recommendation letter (if merit approval is redelegated, dean’s comments, if any). If the action is redelegated and the dean disagrees with the recommendation of the committee, the dossier is forwarded to the Vice Provost with the dean’s recommendation letter for a final decision. The action will need to be edited in MIV to be non-redelegated and forwarded to the Vice Provost for a final decision. If the dean concurs with the department recommendation on non-redelegated actions, the dean may opt to write a statement indicating that he/she has reviewed the dossier and agrees with the recommendation of the department in lieu of writing a detailed letter.
