UC DAVIS FACULTY WITH INTERNATIONAL LINKAGES
Join over 500 leading UC Davis faculty who have already participated in this unique database that can be accessed from anywhere in the world. Global Affairs developed and launched the UC Davis Faculty with International Linkages database in 2005. The database was the first of its kind for a UC campus.

FUNDING WORKSHOPS
The faculty funding workshops provide a unique opportunity for faculty to learn and be inspired by a variety of funding opportunities to support international research and education. Over the past few years we have presented workshops focusing on Latin America, Asia, Europe and Oceania with senior program officers from Fulbright, NSF, China Consul General, German Academic Exchange Service, UC MEXUS and the Japan Society for the Promotion of Science.
